ACCREDITED QUALIFICATION

## PROSPECTUS

*The British Academy of Crystal Healing* OFFERS PROFESSIONAL Diploma courses in the Art of Crystal Healing.

### Diploma Courses

The courses consist of either 12 tutor led sessions over a one year period, Learners will be required to complete several case studies and written assessments in between each session. This material will form part of the ultimate assessment. Practical work and theoretical study is a very important part of the course.

To qualify for a Diploma in crystal therapy, learners will be assessed on a continual basis as well as by a practical therapy demonstration and a short written test at the end of the year.

### Year 1 - Diploma in Practical Use of Crystals - Personal Development

The first year is aimed at personal development and offers professional techniques in the Art of Crystal Healing. The course is divided into 12 units, 7 of which are compulsory and form the core curriculum. The learner may then choose 5 of a possible 7 specialist units on offer, which are most suitable for their personal growth.

Upon successful completion of the course the learner will receive a Diploma. This qualification does not qualify the learner to practice as a professional therapist.

### Year 2 - Advanced Diploma in the Art of Crystals Healing

The second year is aimed at and offers professional techniques in the Art of Crystal Therapy.

Learners will be required to complete several case studies and written assessments in between each session. This material will form part of the ultimate assessment. Practical work and theoretical study is a very important part of the course.

To qualify for a Diploma in crystal therapy, learners will be assessed on a continual basis as well as by a practical therapy demonstration and a short written test at the end of the second year.

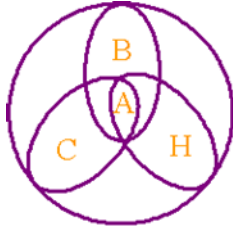

Upon completion of year 2 the successful learner will also be required to gain a recognized qualification in Anatomy and Physiology and hold a current First Aid Certificate before practicing as a Crystal Therapist.

### Accreditation

All units must be completed and approved to a "pass" grade. An external verifier will be appointed to assess the level of work presented and ensure that it meets with the required specification.
